UHF/HF RFID Label

RFID Laundry Tag

RFID Industrial Tag

RFID Device

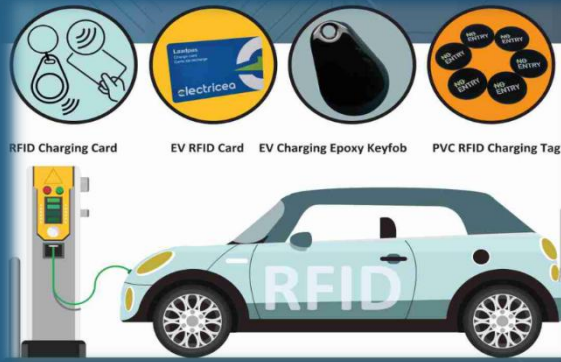

Personal RFID

Reliable & Efficient for
identification and
tracking

Electrical Car Charging Card

Silicone/EMV Payment Wristband

RFID Card

Rain Paper Apparel Label

SKU Printing :

Apparel SKU data printable

Data Collection :

RFID / Barcodes / QR

Production Capacity:

Tens of millions of items per year

Competitive price:

Rich experience for huge projects

UHF Fabric Care Label

Woven Fabrics :

Woven Sandwich RFID inlay inside

Ultra-Soft Satin:

Softer than ordinary fabric label

Customs :

Customized Size and RFID performance

Cut :

Can be cold cut

UHF RFID Garment Hang Tag

RFID Direction :

Alternative horizontal/circular polarization

Data Collection :

RFID / Barcodes / QR

Printing:

Offset color printing / Text printing

Encoding: :

Customized EPC encoding, locked

Experienced

Server to Decaron, Nike, WalMart...

Production Capability

2~3 Million shipment per day

Performance

Voyantic Tagsurance Inspection

Fabric Textile UHF Laundry Tag

Min. Size:

35(L) x 15(W) x
1.5(H)mm

Invisual Design:

Support **square chip**
module

Installation Method:

Stitching, Heat Sealed,
Pouching

Easy O&M :

support **Data printing & encoding**

Highlights

Stability:

- Warranted **200 times** industrial laundry
- Heat resistant 200°C for **30 seconds**

Reliability:

- 100% inspect before delivery
- **MRI Passed**,ROSH certification

Availability:

- Up to **4 Million** tags monthly yield
- Competitive price

PPS Button RFID Laundry Tag

Min. Size:

Round 15mm

Frequency:

UHF/HF/LF

Installation Method:

Sewing

Easy O&M :

support **Data printing & encoding**

Highlights

Stability:

- Over **200 washing cycles** or 2 year lift-time guarantee after shipping

Reliability:

- 100% inspect before delivery
- **ROSH** certification

Availability:

- Competitive price
- Free sample offered to test

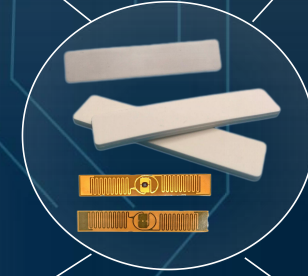

Silicone UHF Laundry Tag

Min. Size:

55(L) x 12(W) x 2(H)mm

Customized Color:

Based on Pantone book

Chip:

FPC + QFN Transponder

Easy O&M :

support **Data printing & encoding**

Highlights

Stability:

- Warranted **200 times** industrial laundry
- Heat resistant 200°C for **30 seconds**

Reliability:

- 100% inspect before delivery
- **ROSH** certification

Availability:

- Up to **2 Million** tags monthly yield
- Competitive price

Waste RFID Bin Tag

High quality :
10 year warranty

Hidden chip :
A small chip, not attract attention

Durable :
Protected from possible damage

Customize :
Accept OEM tag

RFID Pallet Tag

Craft :
CMYK printing / QR
barcode data

Life Time:
2-3 years on industrial working

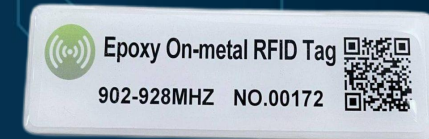

Customs :
Customized Size and RFID performance

Mounting Methods: :
Adhesive, Screw, Plug-in

On-Metal RFID Tag

Excellent reading performance :
From the front of it or its sides

Data Collection :
RFID / Barcodes / QR

Printing:
Offset color printing / Text printing

Encoding: :
Customized EPC encoding, locked
